

EMEDA is a leading tape-in hair extension manufacturer, specializing in the production of high-quality hair extensions made from 100% Remy human hair. With years of experience and expertise in the industry, we pride ourselves on offering premium products that meet international standards. Our extensions are designed for a seamless, natural look, providing customers with a luxurious and durable solution for length and volume.

Our tape-in hair extensions are available in a variety of lengths, colors, and textures, allowing us to cater to a diverse range of client preferences. From straight to wavy and curly options, EMEDA ensures a perfect match for any hair type. We offer full customization, allowing you to choose the ideal specifications for your clientele. Each set of extensions comes with strong, hypoallergenic adhesive, ensuring a secure bond that lasts for 6-8 weeks.

At EMEDA, we prioritize quality control throughout the manufacturing process. Our team carefully selects and processes the hair to maintain the natural alignment of the cuticles, reducing tangling and extending the lifespan of the extensions. With a reusability of up to 2-3 times, our products offer great value for customers, with each set lasting up to 12 months with proper care.

We are committed to providing fast production and reliable shipping services. Whether you are a distributor, salon owner, or individual retailer, EMEDA offers flexible order quantities and competitive pricing to meet your business needs. Our factory is equipped with state-of-the-art machinery and experienced technicians to ensure that each order is processed with precision and delivered on time.

In addition to our tape-in extensions, we offer a variety of hair extension products, including clip-ins, wefts, and fusion extensions. Our goal is to be a one-stop solution for all your hair extension needs, and we continually innovate to bring you the latest trends and techniques in the hair extension industry.
